Products for advertising, promotion and sales events

expodome 3x3m

NEW from 2011

It is not always the size that matters

The „smaller brother“ perfectly fits into the existing expodome product range. The impressive shape, the huge advertising space that can be

individually printed and a simple handling characterize this new member of the expodome-family. With this stunning eye-catcher you can boost your brand image or your sales message immediately.

Expotrade Group GmbH, Herrschaftswiesen 17, 6842 Koblach / Austria
